

TWELVE HUNDRED ATTEND AUTO RACES SATURDAY

Large Crowd Witnessed the Automobile Races at the Fair Grounds Saturday Afternoon.

Twelve hundred people saw the Automobile Races at the fair grounds Saturday. Except from the local entry, the drivers were from other cities. The fact that the races were well attended is a credit to the management. The only race between drivers and the local team.

Very good time was made for the half mile race but the local car was not able to compete. It had been broken down in the 20 mile race and drove a good time and lost a wheel and had to retire.

The time for the four race was: 2 mile race—2 minutes and 42 seconds.

Three mile race—4 minutes and 22 seconds.

Five mile race—4 minutes and 44 seconds.

Twenty mile race—16 minutes and 30 seconds.

The English Southern was timed for several laps and made them in 37, 38 and 41 minutes in very good time for the half mile track.

WORDS OF APPRECIATION.

Dr. Traile and Family Cordially Acknowledged by Baptist Church

The Baptist church at prayer meeting on Wednesday night unanimously and cordially adopted the following words of appreciation regarding Dr. H. E. Traile and family who are moving to Kansas City to reside.

"It has been said that 'The evil men do lives after them; the good is often interred with their bones.' This we cannot accept as true. Undoubtedly, indeed, would be the case if we did not believe that the good which we do is recorded in the lives of our fellowmen. In spite of all the sin, error, and injustice which we encounter in this life there is still much charity in the world and wherever good has been done or done there are always those who appreciate it.

The higher we ascend in the scale of human progress the more we come to value human life and interests. The more we possess of the spirit of Christ the deeper is our appreciation of an unselfish service. It is in recognition of this service we now wish to speak.

For the past four years this church has enjoyed the fellowship and has been greatly benefited by the service of Dr. H. E. Traile and his estimable family who are now about to leave us. It would be impossible for us to express in words our appreciation of the great work they have done in our church. All of this in addition to his work at Hastings College and Sunday School and in the community as well. We regard Dr. Traile as a great preacher and teacher but also as a wise and safe leader in all religious work and an one of our greatest Sunday School specialists.

In the organization and leading of our Sunday school and in the training of teachers and in the giving of many wise and helpful suggestions upon our church's life and work which we trust shall ever remain. Our teachers and officers, because of his work among us have had ideas not before them which are a constant inspiration to them, and our whole Sunday school has a large vision as to what the Sunday school really means.

The work of Mrs. Traile as superintendent of the Primary Department of the Sunday school, as a teacher and trainer of teachers and as an advisor in all Sunday school matters has been wonderful. She and her two talented daughters have given their best efforts to the service of Christ and we are assured that by their untiring mind and efforts we now have one of the best primary departments in the State.

This charming family have left their impressions on every part of our church's life and in their going from us we feel that not only our church and Sunday school but the entire town and community sustain a great loss. Our prayers and best wishes are with them as they go to Kansas City, Missouri, where Dr. Traile is to be the head of the Kansas City School of Religious Pedagogy. We are confident that in his new work he will find a large sphere of usefulness and that his thorough scholarship, his deep piety, and his long experience as a teacher and leader in religious work eminently qualify him for such the noble task he is now undertaking.

Very sincerely,
Members of First Baptist church,
Mexico, Missouri.

PRESS AGENT STUFF

Kryl, the hardmaster, whose organization is at the Chautauqua today, is the greatest cornetist in the world. There are a number of stories told on him some of which amuse smartly of the press agent's "fine Italian hand". These facts are vouched for: he is wealthy, made his money as a paying contractor and the land is his hobby. He is a sculptor of ability and has a home filled with magnificent paintings. The story is that when he was making his great statue of Lord Wallace, which is in Crawfordville, Ind., he fell and was so severely injured he lost a fine head of hair. The story continues that his present abundant capillary adornment is a wig. However no one has yet had the courage to test the story though it is denied by those who know him well. As long as his hair in no way effects his ability as a hardmaster who worry over it?

Having sold my business at Thompson would like to have all persons owing me call and settle. W. M. Thompson.
